CONTINUOUS LEARNING AND NETWORKING

Organ Donation after Death HOTA, MTERA, and Brain Bank Singapore

It is not uncommon for the topic on organ donation to crop up during ACP conversation. To equip you with some basic knowledge, three speakers from National Organ Transplant and Brain Bank Singapore have been invited to do the sharing.

Learning Objectives:

The importance of human tissues for transplant, education and biomedical research

How do the three organ donation schemes work?

Connect interested donors to appropriate resources and conduct referrals to persons-in-charge
